DISTRICT COURT APPROVAL

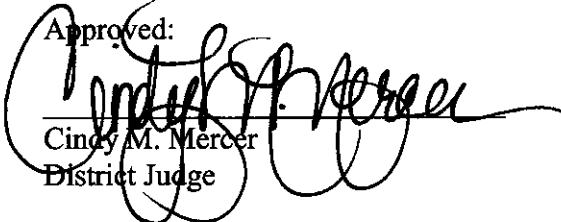

The defendant personally appearing before me and I have concluded as follows:

1. That the defendant understands the charges set forth in the Indictment / Information.

2. That the defendant understands the range of possible sentences for the offenses charged, from probation to the maximum period of incarceration as allowed under this agreement.
3. That the defendant understands the following constitutional rights which the defendant gives up by pleading **guilty**:
 - a). The right to trial by jury, if any.
 - b). The right to the assistance of an attorney at trial, and to an appointed attorney, to be furnished free of charge, if the defendant cannot afford one.
 - c). The right to confront the witnesses against the defendant and to cross-examine them as to the truthfulness of their testimony.
 - d). The right to present evidence on the defendant's own behalf, and to have the state compel witnesses of the defendant's choosing to appear and testify.
 - e). The right to remain silent and to be presumed innocent until proven guilty beyond a reasonable doubt.
4. That the defendant wished to give up the constitutional rights of which the defendant has been advised.
5. That there exists a basis in fact for believing the defendant is **guilty** of committing the offenses charged and that an independent record for such factual basis has been made.
6. That the defendant and the prosecutor have entered into a plea agreement and that the defendant understands and consents to its terms.
7. That the plea is voluntary and not the result of force, threats or promises other than a plea agreement.
8. That under the circumstances, it is reasonable that the defendant plead **guilty**.
9. That the defendant understands that a conviction may have an effect upon the defendant's immigration or naturalization status, and that if represented by counsel, the defendant has been advised as to the immigration consequences of entering into this agreement.

10. The Defendant understands that a conviction may require him/her to register as a sex offender under the Sex Offender Registration and Notification Act and that the Defendant, if represented by counsel, has been advised as to the consequences of a conviction as a sex offender.

On the basis of these findings, I conclude that the defendant knowingly, voluntarily and intelligently pleads **guilty/no contest** to the above charges and accepts such plea. These findings shall be made a part of the record in the above styled case.
